Product Description

Stihl FSA57KIT Battery-Powered Trimmer

Get great value with the STIHL FSA 57 lithium-ion trimmer. A lightweight, battery-powered trimmer, the FSA 57 is an ideal choice for maintaining suburban yards. This trimmer cuts an 11" swath at a continuous high speed, saving time and doing more with a STIHL AK System battery. With an AK 10 battery, this trimmer weighs less than eight pounds and has a run time of up to 25 minutes* On A Single Charge™. For comfort and convenience, this unit features an adjustable shaft to customize height, an easy-to-use AutoCut® head which feeds noise-reducing line, and a bump guard to help trim carefully around obstacles like trees and shrubs. The FSA 57 trimmer is available as a stand-alone unit or as a value-priced set with the AK 10 battery and AL 101 battery charger. Other battery options are available.

- **TapAction™ AUTOCUT® Head -**

With the TapAction™ AutoCut® cutting head, experience easy line refilling by simply tapping the head to feed the line.

- **Loop Handle -**

A thumb screw allows the ergonomic loop handle to be easily adjusted to desired position without tools.

- **Multi-Function Control Handle -**

Having easy access to all of the controls on one comfortable handle makes it easy to complete tasks so the operator's hand never has to leave the handle.

- **Hanging Loop -**

Hang your product securely on a wall to save space using the loop in the handle housing.

- **Lightweight Portability -**

This product is lightweight for easy portability, great maneuverability, and extended use.

- **Retaining Latch -**

All STIHL battery-powered products feature a retaining latch that is designed to prevent the unit from unintentional starts when the battery is inserted.

- **High-Tech Polymer Housing -**

Housings are lightweight, withstand greater impact, and are corrosion-resistant.

- **Throttle Trigger Interlock -**

This safety feature must be depressed before the trigger can be activated.

- **Made in America -**

A majority of STIHL products sold in America are made in America of U.S. and global materials.
