Product Description

Stihl HLA86 Battery-Powered Hedge Trimmer 20"

When the job seems just out of reach, the powerful and versatile HLA 86 extended-reach hedge trimmer delivers. Built using the same durable outer shaft as its gas-powered counterpart, this hedge trimmer provides professional-grade performance with the green benefits of battery power. The quiet, battery-powered operation is great for working in noise-restricted environments, and the brushless motor offers the added benefit of zero exhaust emissions. Easy to extend—thanks to its toolless design—the HLA 86 can telescope an additional 27.6", bringing you within reach of jobs that might otherwise be inaccessible. The -45-degree to +70-degree articulating head with 20-inch cutter bar delivers versatility with seven different positions, while the brushless mo

- **IPX4 Rating -**

This tool is IPX4-rated for weather-resistant construction and has been designed and tested for splash-water protection.

- **Laser-Cut Diamond-Ground Blades -**

Each blade is laser cut and ground using diamond discs. The hardened cutting edges are highly resilient and remain sharp for a longer period of time.

- **Two-Handed Design -**

Equipment with this feature is easily started. The cutting speed can be adjusted using the rear trigger control, allowing for a fine and precise cut. The two-handed design is suitable for both left and right-handed users.

- **Articulating Head -**

The -45° to +70° articulating head can be adjusted to seven different positions.

- **Compact, Ergonomic Design -**

The compact, ergonomic design provides more comfortable use.

- **Lightweight Portability -**

This product is lightweight for easy portability, great maneuverability, and extended use.

- **Double-Sided Cutting Blades -**

STIHL hedge trimmers with double-sided cutting blades cut both directions.

- **Blade Scabbard -**

The blade cover helps protect the cutting blade during storage and transport.

- **Tip Protector -**

The tip protector makes cutting near the ground or along walls easier while protecting the trimmer's cutters from damage.

- **Ergonomic Loop Handle -**

The ergonomic loop handle is ideal for making cuts in any direction.

- **Rubberized Soft-Touch Handle -**

Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

- **Functional Design -**

The engine housing has smooth surfaces and round contours that help to keep it from getting caught on branches during use. The design also makes cleaning easy.

- **Vertical Hanging Slot -**

The built-in hanging slot allows for easy storage when not in use.

- **Long Run Times -**

Get more done On A Single Charge™. *Run time per charge may vary depending on usage and application.

- **Weather-Resistant Design -**

The weather-resistant design gives users the advantages of a powerful tool with a sturdy construction.

- **Variable-Speed Trigger -**

The variable-speed trigger allows precise control for each task.

tor and variable-speed trigger provide the professional power and control you demand to get the job done right.
