Product Description

Stihl HSA26 Battery-Powered Hedge Trimmer

- **Rubber Grips -**

STIHL has developed a system for minimizing the vibration levels of handheld outdoor power equipment. The STIHL anti-vibration system helps reduce operator fatigue and provides a more comfortable working experience.

- **Double-Sided Cutting Blades -**

STIHL hedge trimmers with double-sided cutting blades cut both directions.

- **Lightweight Portability -**

This product is lightweight for easy portability, great maneuverability, and extended use.

- **Incredible Speed -**

This product delivers optimal cutting by operating at a high rate of speed.

- **Proven STIHL Blade Geometry -**

Proven blade geometry from STIHL allows for a more precise cut.

- **Onboard LED Indicator -**

Users know how much battery life they have thanks to an LED indicator.

- **Compact, Ergonomic Design -**

The compact, ergonomic design provides more comfortable use.

- **Long Run Times -**

Get more done On A Single Charge™. *Run time per charge may vary depending on usage and application.

- **Simple Operation -**

Its ease of use and simple design make this ideal tool for all users.
