Product Description

STIHL MS 162 Chainsaw

The STIHL MS 162 is a lightweight and dependable chainsaw built for homeowners and property owners needing an easy-to-use saw for cleanup and light cutting jobs. It is a great choice for trimming limbs, cutting small trees, storm cleanup, firewood work, and general property maintenance.

With STIHL's trusted quality and simple handling, the MS 162 is designed to be comfortable to operate while still delivering the cutting performance needed for everyday tasks around the home, farm, or property.

Key Features:

- Lightweight homeowner chainsaw
- Great for trimming, pruning, and cleanup work
- Useful for cutting limbs, small trees, and firewood
- Easy to handle and operate
- Dependable STIHL performance
- Ideal for homeowners, farms, and property maintenance

A practical saw for anyone needing a reliable chainsaw for occasional cutting, cleanup, and light-duty property work.
