Product Description

Stihl RE90 Plus Pressure Washer

The STIHL RE 90 PLUS is a compact and convenient electric pressure washer built for cleaning around the home, shop, garage, and property. It's a great choice for washing vehicles, equipment, patios, sidewalks, driveways, outdoor furniture, siding, and more.

Its electric design makes it easy to use with no gas, oil, or engine maintenance required. The RE 90 PLUS offers dependable STIHL quality in a lightweight, user-friendly package that is easy to move, store, and put to work for everyday cleaning jobs.

Key Features:

- Electric pressure washer
- Compact and easy to maneuver
- Great for vehicles, equipment, patios, sidewalks, and outdoor surfaces
- No gas or oil required
- Easy to use and store
- Ideal for home, shop, and property cleanup
- Dependable STIHL quality

A practical cleaning tool for homeowners and property owners needing a simple, reliable pressure washer for routine outdoor cleanup.
