Product Description

Stihl SH56CE Shredder Vac/Blower

The STIHL SH 56 C-E is a versatile shredder vac and blower built for quick cleanup around homes, shops, sidewalks, driveways, patios, and landscaped areas. It gives you the convenience of a handheld blower with the added ability to vacuum and shred leaves or light debris.

With STIHL's Easy2Start™ system, this unit is designed for easier starting and comfortable operation. It's a great choice for homeowners and property owners who want one machine that can blow debris into piles, vacuum leaves, and reduce yard waste for easier cleanup.

Key Features:

- Handheld blower, vacuum, and shredder in one
- STIHL Easy2Start™ system
- Great for leaves, grass clippings, and light yard debris
- Ideal for driveways, sidewalks, patios, and landscaped areas
- Helps reduce yard waste for easier disposal
- Lightweight and easy to handle
- Dependable STIHL performance

A practical cleanup tool for anyone needing a reliable blower with vacuum and shredding capability for routine yard and property maintenance.
