Product Description

Woods PFW2242S2 Pallet Forks - 42"

The Woods PFW2242S2 Pallet Forks are a handy attachment for lifting and moving materials around the farm, shop, equipment lot, or property. With 42" forks, this setup is great for handling pallets, feed, seed, lumber, supplies, small equipment, and other bulky items.

Built with Woods quality and durability, these pallet forks make everyday material handling easier and more efficient. They are a great match for compact and utility tractors, giving you a practical attachment for loading, unloading, organizing, and moving materials without needing a forklift.

Key Features:

- 42" pallet forks
- Great for moving pallets, feed, seed, lumber, and supplies
- Handy for farms, shops, warehouses, and property maintenance
- Helps make loading and unloading easier
- Durable Woods construction
- Ideal for compact and utility tractors
- Practical attachment for everyday material handling

A useful attachment for anyone needing a simple, strong, and convenient way to move materials around the farm, shop, or worksite.
