Product Description

Woods RT48.30 Rotary Tiller - 4'

The Woods RT48.30 Rotary Tiller is a dependable 4-foot tiller built for garden prep, food plots, landscaping, seedbed preparation, and general property maintenance. Its compact size makes it a great match for compact tractors while still giving you the strength needed to break up soil, mix in material, and prepare ground for planting.

Built with Woods quality and durability, the RT48.30 is a practical attachment for landowners, gardeners, small farms, and property owners needing an easier way to work up soil and maintain planting areas.

Key Features:

- 4-foot working width
- 3-point hitch rotary tiller
- Great for gardens, food plots, landscaping, and seedbed prep
- Helps break up, mix, and level soil
- Ideal for compact tractors
- Durable Woods construction
- Great for farm, garden, and property maintenance use

A solid choice for anyone needing a reliable rotary tiller for preparing gardens, food plots, and small acreage planting areas.
