Product Description

Gravely Pro-Turn® 372 72" Zero-Turn Mower – 992525

The **Gravely Pro-Turn® 372 72"** zero-turn mower is built to deliver commercial-grade performance, durability, and productivity for professional landscapers and large property owners. Designed for demanding mowing conditions, this powerful mower provides the reliability and efficiency needed to handle large jobs day after day.

Equipped with a **72-inch fully fabricated commercial cutting deck**, the Pro-Turn 372 allows operators to cover more ground in less time while maintaining Gravely's renowned cut quality. The heavy-duty deck construction is designed to withstand tough mowing conditions while providing excellent airflow for consistent grass dispersion and a clean, professional finish.

Powering the Pro-Turn 372 is a **high-performance Kawasaki FX series engine**, delivering dependable power and smooth operation even during long workdays. The mower is paired with **Hydro-Gear ZT-4400 commercial transmissions**, providing excellent torque, responsiveness, and long-term durability required for professional use.

The Pro-Turn series is also designed with operator comfort and productivity in mind. The mower features a **premium high-back suspension seat with padded armrests**, ergonomic controls, and a rugged tubular steel frame built for stability and long-lasting performance. The **zero-turn maneuverability** allows operators to easily navigate around obstacles, reducing mowing time while maintaining precise control.

Built to meet the demands of commercial mowing, the **Gravely Pro-Turn 372 72"** offers the power, durability, and cutting performance professionals rely on to get the job done efficiently.

Key Features
