Product Description

LS Tractor MRC5072 Rotary Cutter HD-72"

The **LS MRC5072SC Rotary Cutter** is a heavy-duty 6-foot cutter designed for serious land maintenance and brush clearing. Built to handle demanding conditions, this cutter is ideal for property owners, farmers, and contractors needing reliable performance in thick grass, weeds, and light brush.

Equipped with a **75 HP heavy-duty gearbox**, the MRC5072SC is engineered for durability and long-term use. Its **10-gauge welded deck and reinforced steel construction** provide the strength needed to withstand rugged terrain and heavy workloads. The **heavy-duty reinforced round stump jumper** protects the drivetrain while allowing the cutter to glide smoothly over obstacles.

Designed for efficiency and ease of use, this cutter features a **Series 6 PTO driveline** (available with shear bolt or slip clutch) and a durable **puncture-resistant tail wheel** for consistent cutting height and stability. With a **2" cutting capacity** and fast blade tip speed, it delivers clean, effective results across a variety of applications.

Key Features:

- 6' cutting width ideal for medium to large properties
- 75 HP heavy-duty gearbox for reliable performance
- 10-gauge solid welded deck and skirt for added durability
- Reinforced round stump jumper for protection over rough terrain
- **Series 6 PTO shaft** (shear bolt or slip clutch options available)
- 1/2" x 3" heavy-duty blades for consistent cutting performance
- Replaceable 1/4" skid shoes for extended service life
- Puncture-resistant tail wheel for smooth operation
- Category 1 3-point hitch compatibility
- Designed for tractors **35-72 HP** with 540 PTO

With a cutting capacity of up to **2-inch diameter material**, the LS MRC5072SC is built to take on overgrown fields, pasture maintenance, and roadside clearing with ease.

Specifications:

- Working Width: 72"

- Overall Width: 78"
- Weight: 880 lbs
- Cutting Height: 3" minimum
- Blade Tip Speed: 14,856 ft/min

Compatible with **LS MT3 and MT4 Series tractors**, the MRC5072SC is a dependable, heavy-duty solution for keeping your property clean, controlled, and well-maintained.
