Product Description

Gravely Pro-Turn ZX 48" - 991287

The **Gravely Pro-Turn® ZX 48"** zero-turn mower delivers professional performance in a durable, easy-to-use package designed for homeowners who want commercial-level results. Built with Gravely's proven engineering and heavy-duty construction, the Pro-Turn ZX is ideal for maintaining larger residential properties with efficiency and precision.

Equipped with a **48-inch fully fabricated steel cutting deck**, this mower provides excellent durability and a consistently clean cut. The fabricated deck is built to withstand demanding mowing conditions while providing superior airflow for even grass dispersion and professional-looking results.

Power comes from a **reliable Kawasaki engine**, paired with **Hydro-Gear commercial-grade transmissions** that provide smooth, responsive control and dependable long-term performance. The zero-turn design allows you to easily maneuver around trees, landscaping, and obstacles, significantly reducing mowing time compared to traditional lawn tractors.

The **Pro-Turn ZX series** is also designed with operator comfort in mind. A **high-back seat with padded armrests**, ergonomic controls, and a strong tubular frame provide stability and comfort during longer mowing sessions.

Built with the durability Gravely is known for, the **Pro-Turn ZX 48"** offers the strength of a commercial mower while remaining easy to operate for residential property owners.

Key Features

- 48" fully fabricated steel cutting deck
- Powerful and dependable Kawasaki engine
- Hydro-Gear commercial-grade transmissions
- Zero-turn maneuverability for efficient mowing
- High-back seat with armrests for comfort
