Product Description

STIHL BR 450 Gasoline Backpack Blower

The **STIHL BR 450** is a powerful gasoline backpack blower built for dependable cleanup performance around homes, farms, commercial properties, and large outdoor areas. With strong blowing force and high air velocity, this blower makes quick work of leaves, grass clippings, dirt, and debris.

Designed with a comfortable backpack setup, the BR 450 helps make larger cleanup jobs easier while still delivering the power needed for tough property maintenance. It is a great choice for homeowners with larger yards, landscapers, farms, and maintenance crews needing reliable STIHL performance.

Key Features:

- Gasoline backpack blower
- Strong 28 N blowing force
- Max air velocity up to 222 MPH with round nozzle
- Air throughput up to 642 CFM with round nozzle
- Comfortable backpack design for extended use
- Great for leaves, grass clippings, and debris cleanup
- Ideal for homeowners, landscapers, farms, and property maintenance
- Dependable STIHL quality and performance

Technical Details:

- Displacement: 3.9 cu. in.
- Blowing Force: 28 N with round nozzle
- Weight: 23.4 lbs. without fuel
- Max Air Velocity: 222 MPH with round nozzle
- Air Throughput: 642 CFM with round nozzle
