Product Description

DHE SunBurst Box Blade 6'

DHE SunBurst 6' Box Blade - Built to Handle the Tough Jobs

Take control of your land with the rugged and reliable **DHE SunBurst 6' Box Blade**. Designed for property owners, farmers, and contractors alike, this heavy-duty attachment is perfect for grading driveways, leveling ground, spreading gravel, and tackling tough soil conditions with ease.

Built with durability in mind, the SunBurst box blade features a reinforced steel frame that stands up to demanding work without bending or flexing. The 6-foot working width makes it an ideal match for a wide range of compact and utility tractors, giving you excellent coverage while maintaining precision control.

Equipped with adjustable scarifier shanks, this box blade easily breaks up hard-packed soil and gravel, allowing you to loosen material before smoothing it out. The reversible cutting edges extend the life of the blade and ensure consistent performance over time. Whether you're maintaining a driveway or preparing a job site, this attachment delivers clean, professional results.

Simple to hook up with a standard 3-point hitch, the DHE SunBurst Box Blade is easy to use and built to perform season after season.

Key Features:

- Heavy-duty steel construction for long-lasting durability
- 6' working width - ideal for compact and utility tractors
- Adjustable scarifiers for breaking up hard ground
- Reversible cutting edges for extended wear life
- Perfect for grading, leveling, and material spreading
- Standard 3-point hitch for quick attachment

If you're looking for a dependable, no-nonsense box blade that gets the job done right, the **DHE SunBurst 6'** is a solid choice.
