### Product Description

## Ariens IKON Onyx™ 52" Zero-Turn Mower – 918026

The **Ariens IKON Onyx™ 52"** zero-turn mower is built for homeowners who want a step up in performance, durability, and style. Designed with premium features and a sleek Onyx finish, this mower delivers powerful cutting performance and smooth operation for maintaining medium to large properties with ease.

Featuring a **52-inch fabricated steel cutting deck**, the IKON Onyx is engineered for long-lasting durability and consistent cut quality. The deep deck design improves airflow, helping produce a clean, even finish while efficiently handling thick or overgrown grass.

Powered by a **reliable Kawasaki® FR series engine**, this mower delivers dependable starting, smooth performance, and the power needed to tackle demanding mowing conditions. Paired with **Hydro-Gear EZT transmissions**, the IKON Onyx provides responsive control and smooth maneuverability, making it easy to navigate around trees, landscaping, and obstacles.

Comfort and control are key features of the IKON Onyx series. The mower includes a **high-back seat with armrests**, ergonomic controls, and a sturdy tubular steel frame that provides a comfortable ride while reducing operator fatigue during longer mowing sessions.

With its combination of premium styling, durable construction, and dependable performance, the **IKON Onyx 52"** is a great choice for homeowners who want a high-quality zero-turn mower that delivers professional-looking results.

### Key Features

- 52" fabricated steel cutting deck
- Kawasaki® FR series engine for reliable performance
- Hydro-Gear EZT transmissions
