Product Description

Gravely Pro-Stance® Ultra 52" Stand-On Mower – 994173

The **Gravely Pro-Stance® Ultra 52"** stand-on mower is built for landscaping professionals who demand maximum productivity, durability, and comfort from their equipment. Designed for heavy commercial use, the Pro-Stance Ultra delivers exceptional power, maneuverability, and cutting performance while helping operators work efficiently throughout the day.

Featuring a **52-inch fully fabricated commercial cutting deck**, the Pro-Stance Ultra is engineered to provide outstanding durability and superior cut quality in a wide range of mowing conditions. The deck's design promotes excellent airflow and even grass dispersion, producing the clean, professional finish Gravely mowers are known for.

The Pro-Stance Ultra is powered by a **high-performance Kawasaki® FX series commercial engine**, delivering reliable power and smooth performance during demanding workdays. Combined with **Hydro-Gear commercial transmissions**, this mower provides responsive control, excellent traction, and long-term durability for professional applications.

The **stand-on design** offers improved visibility and greater maneuverability around trees, landscaping, and obstacles. Operators can quickly step on and off the mower when navigating properties with gates or multiple mowing areas. The **suspension operator platform and ergonomic controls** help reduce fatigue while providing a stable and comfortable ride during long mowing sessions.

Built with Gravely's rugged commercial construction, the **Pro-Stance Ultra 52"** is designed to handle the demands of professional landscaping while delivering efficient performance and professional-quality results.

Key Features

- 52" fully fabricated commercial cutting deck
- High-performance Kawasaki® FX series commercial engine
- Hydro-Gear commercial transmissions
- Stand-on design for improved visibility and maneuverability
