Product Description

Gravely Pro-Turn® 672 72" Zero-Turn Mower - 992502

The **Gravely Pro-Turn® 672 72"** zero-turn mower is designed for professionals who demand maximum productivity, durability, and performance. Built for commercial landscapers and large property owners, this heavy-duty mower delivers exceptional power and efficiency for tackling large mowing jobs with ease.

Featuring a **72-inch fully fabricated commercial cutting deck**, the Pro-Turn 672 allows operators to cover large areas quickly while maintaining a clean, professional-quality cut. The rugged deck construction is engineered for long-term durability and excellent airflow, ensuring consistent grass dispersion and outstanding cutting performance.

The Pro-Turn 672 is powered by a **high-performance Kawasaki FX series engine**, providing dependable power and reliability during long workdays. Paired with **Hydro-Gear ZT-5400 commercial transmissions**, this mower delivers smooth operation, superior torque, and the durability required for demanding commercial use.

Operator comfort and control are built into every Pro-Turn model. The mower includes a **premium high-back suspension seat with padded armrests**, ergonomic controls, and a heavy-duty tubular frame designed to handle daily professional use. The **zero-turn steering system** provides excellent maneuverability, allowing operators to easily navigate around trees, landscaping, and obstacles while reducing overall mowing time.

Built to perform in tough mowing conditions, the **Gravely Pro-Turn 672 72"** provides the power, durability, and productivity professionals rely on every day.
