Product Description

Gravely ZT XL 42" Zero-Turn Mower - 918012

The **Gravely ZT XL 42"** zero-turn mower is designed for homeowners who want a step up in performance, durability, and comfort. Built with heavier-duty components than entry-level models, the ZT XL Series delivers reliable power and a smooth mowing experience, making it ideal for maintaining small to mid-sized properties. Equipped with a **42-inch fabricated steel cutting deck**, the ZT XL provides excellent durability and a consistent, high-quality cut. The deck is designed for optimal airflow, ensuring even grass dispersion and a clean, professional-looking finish.

Powered by a **dependable Kawasaki® engine**, the ZT XL delivers strong performance and reliable starting in a variety of mowing conditions. Paired with **Hydro-Gear integrated transmissions**, this mower offers smooth operation and responsive control, allowing you to easily maneuver around trees, landscaping, and obstacles.

Comfort and usability are key features of the ZT XL Series. The mower includes a **high-back seat with armrests**, ergonomic controls, and a sturdy tubular steel frame designed to provide a comfortable ride and long-term durability. The **zero-turn steering system** allows for precise handling and efficient mowing, helping reduce overall mowing time.

Built with Gravely's reputation for rugged construction and dependable performance, the **ZT XL 42"** is a great choice for homeowners who want a durable, easy-to-use mower that delivers excellent results.

Key Features
