Product Description

Woods Brush Fighter Rotary Cutter BF5.20 - 60" Slip Clutch

The Woods Brush Fighter BF5.20 is a dependable 5-foot rotary cutter built for pasture mowing, food plots, trails, field edges, and general property maintenance. Its 60" cutting width makes it a great match for compact and utility tractors, giving you the coverage needed to keep grass, weeds, and light brush under control.

Equipped with slip clutch driveline protection, this cutter provides added protection when mowing in tougher conditions and helps reduce stress on the driveline if the cutter hits an obstruction. With durable Woods construction, the BF5.20 is a solid choice for landowners, small farms, and property owners needing a reliable cutter for routine mowing and cleanup.

Key Features:

- 60" cutting width
- Slip clutch driveline protection
- 3-point hitch attachment
- Great for pastures, food plots, trails, and acreage maintenance
- Helps cut grass, weeds, and light brush
- Ideal for compact and utility tractors
- Durable Woods construction

A practical rotary cutter for anyone needing a quality-built 5-foot mower with slip clutch protection for keeping acreage, trails, and overgrown areas cleaned up.
