Product Description

Stihl Battery-Powered Blower BGA 86

The BGA 86 battery blower gives you the power you need to take on tough blowing tasks. A handheld, brushless motor allows for quiet operation and an excellent power-to-weight ratio. Its well-balanced design and optimized controls make it easy to use, whether you are right or left-handed. The BGA 86 battery blower is a great option for pros as well as homeowners.

This tool is IPX4-rated for weather-resistant construction and has been designed and tested for splash-water protection.

- **IPX4 Rating -**

This tool is IPX4-rated for weather-resistant construction and has been designed and tested for splash-water protection.

- **Quiet Operation -**

Low-noise motor helps provide comfortable use in residential areas without disturbing others.

- **Lightweight Design -**

The lightweight design helps reduce operator fatigue.

- **Brushless Motor -**

The brushless motor maximizes energy efficiency and requires virtually no maintenance, optimizing the life of the tool.

- **Retaining Latch -**

When inserting battery, the first click will keep it inactive while secured in the compartment for transport mode and the second click will engage for tool operation

- **Hanging Slot -**

The built-in hanging slot allows for easy storage when not in use.

- **Rubberized Soft Touch Handle -**

Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

- **Compact, Ergonomic Design -**

The compact, ergonomic design helps reduce user fatigue.

- **Multi-Function Handle -**

With the multi-function handle, all of the blower's controls can be adjusted with one hand, allowing simple and reliable operation for both right and left-handed users.
