Product Description

STIHL BR 600 Gasoline Backpack Blower

The **STIHL BR 600** is a powerful gasoline backpack blower built for professional cleanup performance in a comfortable, easy-to-carry design. It is a great choice for landscapers, property maintenance crews, farms, municipalities, and homeowners with larger properties who need dependable blowing power for leaves, grass clippings, debris, and seasonal cleanup.

With strong air velocity, reliable STIHL engine performance, and a comfortable backpack setup, the BR 600 is designed to help make large cleanup jobs faster and easier. It works well for clearing driveways, sidewalks, parking lots, commercial properties, equipment areas, and large yards.

Key Features:

- Professional-grade gasoline backpack blower
- Strong 31.7 N blowing force
- Max air velocity up to 237.6 MPH with round nozzle
- Air throughput up to 686 CFM with round nozzle
- Comfortable backpack design for extended use
- Great for leaves, grass clippings, and debris cleanup
- Ideal for landscapers, farms, municipalities, and large properties
- Dependable STIHL quality and performance

Technical Details:

- Displacement: 4 cu. in.
