Product Description

LS Tractor MT342 Gear Drive - ROPS - w/ LL4001 Loader

The **LS MT342 Gear Drive with Loader** is a powerful 45 HP compact tractor designed for property owners, farmers, and commercial operators who need increased horsepower and lifting capability in a durable, mechanically driven platform. With a synchro shuttle gear transmission and heavy-duty 4WD front axle, the MT342 delivers strong torque, dependable performance, and excellent value.

Key Specifications

- **Engine:** 45 HP, 3-Cylinder Diesel (Tier 4 Final)
- **Transmission:** Synchro Shuttle Gear Drive
- **Drive:** 4WD
- **PTO Horsepower:** Approx. 37-38 HP
- **3-Point Hitch:** Category I
- **3-Point Lift Capacity:** Approx. 2,700+ lbs
- **Fuel Capacity:** Approx. 13+ gallons

Gear Drive & Shuttle Advantage

The synchro shuttle transmission allows:

- Smooth forward-to-reverse shifting
- Strong ground-engaging performance
- Excellent torque transfer for pulling implements
- Durable mechanical design with long-term reliability

This setup is ideal for customers who frequently operate box blades, tillers, heavy rotary cutters, or perform repetitive loader work.

Front End Loader Features

- Quick-attach bucket
- Skid steer style quick attach system
- Strong lift capacity for gravel, dirt, mulch, and feed
- Responsive joystick control

The loader gives the MT342 the capability to handle driveway repair, landscaping, storm cleanup, hay handling, and general farm material movement.
