### Product Description

## Gravely Pro-Turn® 200 Series PT 252 52" Zero-Turn Mower - 992550

The **Gravely Pro-Turn® 200 Series PT 252 52"** zero-turn mower is designed to deliver commercial-grade performance, durability, and efficiency for professional landscapers and demanding property owners. Built with Gravely's rugged construction and precision engineering, the Pro-Turn 200 Series offers dependable power and excellent cut quality for a wide range of mowing applications.

Equipped with a **52-inch fully fabricated commercial cutting deck**, the PT 252 is built to handle demanding mowing conditions while delivering a consistent, professional-quality cut. The fabricated deck design provides superior durability and airflow for even grass dispersion and clean results.

Powering the Pro-Turn PT 252 is a **reliable Kawasaki FX series engine**, providing strong performance and dependable operation throughout long workdays. Paired with **Hydro-Gear commercial-grade transmissions**, this mower offers smooth, responsive control and the durability needed for professional use.

The Pro-Turn 200 Series is designed with operator comfort and productivity in mind. It features a **high-back seat with padded armrests**, ergonomic controls, and a heavy-duty steel frame built for stability and long-term reliability. The **zero-turn steering system** allows operators to easily maneuver around trees, landscaping, and obstacles, reducing mowing time while maintaining precise control.

Built for productivity and durability, the **Gravely Pro-Turn 200 Series PT 252 52"** is an excellent choice for professionals who need a reliable mower capable of handling demanding mowing conditions.
