Product Description

Gravely Pro-Turn® 500 Series PT 560 60" Zero-Turn Mower - 992534

The **Gravely Pro-Turn® 500 Series PT 560 60"** zero-turn mower is designed for professional landscapers and property managers who require dependable commercial performance, durability, and comfort. Built to handle demanding mowing conditions, this mower combines Gravely's rugged construction with powerful performance and outstanding cut quality.

The **60-inch fully fabricated commercial cutting deck** is engineered for durability and precision cutting. Its heavy-duty design allows operators to tackle large mowing jobs efficiently while maintaining a clean, consistent, professional-quality finish.

Powering the Pro-Turn 500 Series PT 560 is a **high-performance Kawasaki FX series engine**, delivering strong, reliable power for long workdays. Paired with **Hydro-Gear ZT-4400 commercial transmissions**, the mower provides excellent torque, smooth control, and the durability needed for demanding commercial applications.

Operator comfort and productivity are key features of the Pro-Turn 500 Series. The mower includes a **premium high-back suspension seat with padded armrests**, ergonomic controls, and a heavy-duty tubular steel frame designed for long-term reliability and stability. The **zero-turn steering system** provides exceptional maneuverability around trees, landscaping, and obstacles, helping operators work more efficiently while reducing mowing time.

Built for professionals who depend on their equipment every day, the **Gravely Pro-Turn 500 Series PT 560 60"** delivers the power, durability, and cutting performance required for serious commercial mowing.
