Product Description

Gravely Pro-Turn® 260 - 200 Series 60" Zero-Turn Mower - 992551

The **Gravely Pro-Turn® 260 from the 200 Series** is a commercial-grade zero-turn mower built to deliver dependable performance, durability, and productivity for professional landscapers and demanding property owners. Designed to handle daily mowing operations, the Pro-Turn 260 combines Gravely's rugged construction with powerful cutting performance and operator comfort.

Equipped with a **60-inch fully fabricated commercial cutting deck**, the Pro-Turn 260 is built to withstand tough mowing conditions while delivering a clean, consistent cut. The heavy-duty deck design promotes excellent airflow for even grass dispersion and professional-quality results across a wide range of mowing environments.

Powering the Pro-Turn 260 is a **reliable Kawasaki FX series commercial engine**, providing strong performance and dependable operation during long workdays. Paired with **Hydro-Gear commercial-grade transmissions**, this mower delivers smooth control, excellent torque, and long-term durability required for professional use.

Operator comfort and efficiency are key features of the Pro-Turn 200 Series. The mower includes a **high-back seat with padded armrests**, ergonomic controls, and a heavy-duty tubular steel frame that provides stability and durability. The **zero-turn steering system** allows operators to easily maneuver around trees, landscaping, and obstacles, helping reduce mowing time while maintaining precise control.

Built to handle demanding commercial workloads, the **Gravely Pro-Turn® 260 60"** delivers the reliability, durability, and cutting performance professionals depend on every day.

Key Features

- 60" fully fabricated commercial cutting deck
- Powerful Kawasaki FX series commercial engine
