Product Description

LS Tractor MT226HE Compact Tractor -ROPS w/ LL3002 Loader & LB3001 Backhoe

The **LS Tractor MT226HE Compact Tractor ROPS with LL3002 Loader & LB3001 Backhoe** is a versatile, all-in-one machine built to handle digging, lifting, hauling, and property maintenance with ease. Designed for homeowners, landowners, and small farm operations, this compact tractor package delivers dependable performance, smooth operation, and the capability to tackle a wide range of projects.

Powered by a reliable LS diesel engine, the MT226HE provides strong, fuel-efficient performance for everyday tasks around the property. The hydrostatic transmission offers smooth, effortless forward and reverse control, making loader work and backhoe operation simple and efficient for operators of all experience levels.

The **LL3002 front-end loader** delivers excellent lifting and material-handling capability, while the **LB3001 backhoe** provides powerful digging performance for trenching, drainage work, landscaping, and utility projects. Combined with the open ROPS operator station, this package offers excellent visibility, easy access, and comfortable operation throughout the workday.

Key Features:

- Reliable LS diesel engine for strong, efficient performance
- Hydrostatic transmission for smooth, easy operation
- **LL3002 front-end loader** for lifting, loading, and material handling
- **LB3001 backhoe** for trenching, digging, and excavation work
- ROPS open station for safety, visibility, and accessibility
- Compact size with excellent maneuverability around homes and properties

- Comfortable operator station with intuitive controls
- Ideal for landscaping, driveway work, property maintenance, and light agricultural applications

Whether you're moving material, digging trenches, or maintaining your property, the LS MT226HE with loader and backhoe delivers the versatility and capability needed to get the job done efficiently and comfortably.

- Wet Multi-Disc Brakes
- 10.6 Gallon Fuel Tank
- Available Ag, Industrial, Turf, and Versa Turf Tire Options
- Operating Weight: 3,007 lbs
- Optional Rear Remote Valves Available

LB3001

- Digging Depth (in.): 97.2
- Reach from Centerline of Swing Pivot (in.): 127.2
- Loading Height (in.): 76.2
- Swing Arc (deg.): 160
- Transport Height (in.): 81.8
- Bucket Rotating (deg.): 180
- Stabilizer Spread (Down Position) (in.): 67.5
- Stabilizer Spread (Up Position) (in.): 50
- Bucket Digging Force (lbs.): 3,663

LL3002

- Bucket (in.): 66
 - Maximum Lift height (in.): 94.3
 - Clearance with Attachment Dump (in.): 67
 - Reach at Maximum Height (in.): 14.4
 - Maximum Dump Angle (deg.): 48
 - Maximum Rollback Angle (deg.): 42.5
 - Digging Depth (in.): 4.8
 - Overall Height in Carry Position (in.): 51.2
 - Lift Capacity (Pivot pin @ 1.5m) (lbs.): 1,965
 - Breakout Force(@ Pivot pin) (lbs.): 2,962
 - Approx. Weight (Loader w/o Bucket) (lbs.): 741
-
