Product Description

Bestway Ag 3P200-BXT/DC 3-Point Hitch Sprayer - 200 Gallon

The Bestway Ag 3P200-BXT/DC is a heavy-duty 200-gallon 3-point hitch sprayer built for dependable spraying on farms, pastures, food plots, fence lines, driveways, and large properties. Equipped with XT024 boomless nozzles, a handgun, and 25 ft. hose, this sprayer gives you the flexibility to cover open areas while still being able to spot spray hard-to-reach places.

The premium yellow spray tank is molded from HDPE to 1.5 SG with UV stabilizers for long-lasting service. It comes fully plumbed and ready to use with valves, pressure gauge, pump, and bypass already included. The integrated steel frame features a corrosion-resistant powder coating, parking stands, and heavy-duty nylon straps that secure the tank while allowing easy removal when needed.

Powered by a Hypro® PTO roller pump, this sprayer delivers reliable performance and convenient mounting for compact to standard 3-point tractors.

Key Features:

- 200-gallon premium yellow HDPE spray tank
- UV stabilized tank for lasting durability
- 3-point hitch hookup for compact to standard tractors
- XT024 boomless nozzles for wide spray coverage
- Includes handgun with 25 ft. hose for spot spraying
- Fully plumbed system with valves, pressure gauge, pump, and bypass
- Integrated powder-coated steel frame with parking stands
- Heavy-duty nylon tank straps

- Hypro® PTO roller pump for dependable performance

A great choice for landowners, farmers, and property managers needing a durable, ready-to-use sprayer with both boomless coverage and handheld spraying capability.
