Product Description

Bestway Ag 3P55-HAM 3-Point Hitch Sprayer – 55 Gallon

The Bestway Ag 3P55-HAM is a dependable 55-gallon 3-point hitch sprayer designed for convenient spraying around farms, food plots, pastures, fence lines, driveways, and small acreage properties. Equipped with #10 Hamilton nozzles, this sprayer provides efficient coverage while still being easy to maneuver behind compact and standard tractors.

The premium yellow spray tank is molded from heavy-duty HDPE to 1.5 SG and includes UV stabilizers for long-lasting outdoor service. Heavy-duty nylon straps keep the tank securely mounted to the frame and can be detached when tank removal is needed. The included handgun with 25 ft. hose gives you added flexibility for spot spraying areas where the nozzles may not reach.

Key Features:

- 55-gallon premium yellow HDPE spray tank
- Molded to 1.5 SG with UV stabilizers for durability
- 3-point hitch mounted design
- #10 Hamilton nozzles for dependable spray coverage
- Handgun with 25 ft. hose for spot spraying
- Heavy-duty nylon straps secure the tank to the frame
- Great for pastures, food plots, fence lines, driveways, and property maintenance

A practical sprayer for landowners, small farms, and property owners needing an easy-to-use setup for both coverage spraying and targeted spot spraying.
