### Product Description

## Bestway Ag 3P110-BXT/DC 3-Point Hitch Sprayer – 110 Gallon

The Bestway Ag 3P110-BXT/DC is a dependable 110-gallon 3-point hitch sprayer built for efficient spraying on farms, pastures, food plots, fence lines, driveways, and small to mid-size properties. Its 3-point hitch coupler provides quick hookup to compact and standard tractors, making it easy to put to work when spraying season arrives.

The premium yellow spray tank is molded from HDPE to 1.5 SG and includes UV stabilizers for long-lasting outdoor use. Heavy-duty nylon straps secure the tank to the frame and can be detached when tank removal is needed. The included handgun with 25 ft. hose gives you added flexibility for spot spraying areas where the nozzles may not reach.

### Key Features:

- 110-gallon premium yellow HDPE spray tank
- Molded to 1.5 SG with UV stabilizers for durability
- 3-point hitch mounted design
- Quick hookup for compact to standard tractors
- Handgun with 25 ft. hose for spot spraying
- Heavy-duty nylon straps secure tank to frame
- Great for pastures, food plots, fence lines, driveways, and property maintenance

A practical choice for landowners, farmers, and property owners needing a reliable sprayer with plenty of tank capacity and the added convenience of handheld spot spraying.
