Product Description

Bestway Ag 3P55-4R 3-Point Hitch Sprayer - 55 Gallon with Boom

The Bestway Ag 3P55-4R is a dependable 55-gallon 3-point hitch sprayer built for efficient and consistent spraying around farms, pastures, food plots, fence lines, driveways, and small acreage properties. Equipped with a boom, this sprayer provides even spray coverage for open areas and field maintenance.

The premium yellow spray tank is molded from HDPE to 1.5 SG and includes UV stabilizers for long-lasting outdoor service. It comes fully plumbed and ready to use with valves, pressure gauge, pump, and bypass already included. The integrated steel frame features a corrosion-resistant powder coating, parking stands, and heavy-duty nylon straps that secure the tank while allowing easy removal when needed.

The 3-point hitch coupler provides quick hookup to compact and standard tractors, while the Hypro® PTO roller pump delivers reliable performance and convenient mounting.

Key Features:

- 55-gallon premium yellow HDPE spray tank
- Molded to 1.5 SG with UV stabilizers for durability
- 3-point hitch mounted design
- Boom setup for even spray coverage
- Fully plumbed system with valves, pressure gauge, pump, and bypass

- Integrated powder-coated steel frame with parking stands
- Heavy-duty nylon straps secure tank to frame
- Hypro® PTO roller pump
- Great for pastures, food plots, field edges, and property maintenance

A great choice for landowners, farmers, and property owners needing a ready-to-use 3-point sprayer with dependable boom coverage and durable construction.
