Product Description

Bestway Ag ST-25 Spot Sprayer - 25 Gallon

The Bestway Ag ST-25 Spot Sprayer is a convenient 25-gallon sprayer built for quick and easy spraying around farms, homes, hunting land, food plots, fence lines, driveways, and small acreage properties. Its compact size makes it easy to mount in a UTV, ATV, utility vehicle, or trailer for spraying on the go.

This sprayer is equipped with a **1.8 GPM 12V Everflo pump**, a **pistol grip spray gun**, and a **13' hose**, giving you dependable pressure and reach for targeted spraying. It is ideal for herbicides, pesticides, liquid fertilizer, and general property maintenance.

Key Features:

- 25-gallon spot sprayer
- 1.8 GPM 12V Everflo pump
- Pistol grip spray gun
- 13' hose for added reach
- Compact and easy to transport
- Great for UTVs, ATVs, trailers, and utility vehicles
- Ideal for spot spraying weeds, fence lines, driveways, and food plots
- Useful for herbicides, pesticides, and liquid fertilizer

A handy sprayer for landowners, farmers, and property owners needing an easy-to-use setup for targeted spraying and routine property maintenance.
