Product Description

IronCraft UM56 Rotary Tiller - 60"

The IronCraft UM56 Rotary Tiller is a dependable 5-foot tiller built for garden preparation, food plots, landscaping, seedbed prep, and general property maintenance. With its 60" working width, this tiller gives you great coverage while still being easy to handle behind compact and utility tractors.

This tiller is ideal for breaking up hard ground, mixing soil, working in compost or fertilizer, and preparing smooth planting areas. Whether you are putting in a garden, maintaining a food plot, or working up small acreage, the UM56 is a practical attachment for getting the job done efficiently.

Key Features:

- 60" / 5-foot working width
- 3-point hitch rotary tiller
- Great for gardens, food plots, landscaping, and seedbed preparation
- Helps break up, mix, and level soil
- Ideal for compact and utility tractors
- Durable IronCraft construction
- Great for farms, homeowners, and landowners

A solid choice for anyone needing a reliable 5-foot tiller for preparing gardens, food plots, and planting areas around the property.
