Product Description

Backwoods Finish Mower 5' - Model BW-FM5

Get a clean, even cut with this **Backwoods 5' Finish Mower**. This mower is a great choice for maintaining lawns, estates, parks, fields, and larger grassy areas where you want a smooth, finished look behind your tractor.

The 5-foot cutting width is easy to maneuver while still covering more ground than a smaller mower, making it a practical option for homeowners, landowners, and property maintenance.

Features:

- 5' cutting width
 - Rear 3-point hitch finish mower
 - Designed for a clean, even cut
 - Great for lawns, estates, parks, and maintained grass areas
 - Ideal for compact and utility tractors
 - Model: **BW-FM5**
-
