Product Description

STIHL BG 86 Z Gasoline Blower

The **STIHL BG 86 Z** is a powerful handheld gasoline blower built for dependable cleanup around homes, farms, shops, and commercial properties. With a **27.2cc engine**, air speeds up to **190 MPH**, and a lightweight **9.7 lb. design**, this blower delivers strong performance while still being easy to handle.

The BG 86 Z is a great choice for clearing leaves, grass clippings, dirt, and debris from driveways, sidewalks, patios, parking areas, equipment lots, and landscaped spaces. It is ideal for homeowners, landscapers, and property maintenance crews needing a durable blower for routine cleanup and heavier seasonal use.

Key Features:

- 27.2cc gasoline engine
- Air velocity up to 190 MPH
- Lightweight design at 9.7 lbs.
- Handheld blower design
- Great for leaves, grass clippings, dirt, and debris
- Ideal for homes, farms, shops, and commercial properties
- Dependable STIHL quality and performance

A solid choice for anyone needing strong STIHL blowing power in a lightweight, easy-to-use handheld blower.
