Product Description

STIHL BGA 30 Battery Blower

The **STIHL BGA 30** is a lightweight and convenient battery-powered handheld blower designed for quick cleanup around the home, garage, patio, porch, sidewalk, driveway, and outdoor living areas. With quiet operation and no gas or cords, this blower is easy to grab and use for everyday cleanup jobs.

Powered by the STIHL AS battery system, the BGA 30 is ideal for clearing leaves, grass clippings, dust, and light debris from smaller areas. Its compact 3.4 lb. design makes it easy to handle, store, and operate, making it a great choice for homeowners wanting simple, low-maintenance STIHL battery equipment.

Key Features:

- Battery-powered handheld blower
- STIHL AS cordless power system
- Lightweight design at 3.4 lbs. without battery
- Blowing force up to 5 N with round nozzle
- Max air velocity up to 96 MPH with round nozzle
- Air throughput up to 250 CFM with round nozzle
- Quiet operation at 50 dB(A) from 15 m
- Great for patios, sidewalks, driveways, garages, and small yard cleanup
