### Product Description

#### STIHL FSA 30 Battery Powered Grass Trimmer

Keep your yard looking clean and well-maintained with the **STIHL FSA 30 Battery Powered Grass Trimmer**. Designed for homeowners, this lightweight cordless trimmer delivers quiet, reliable performance that's perfect for trimming grass, edging sidewalks, and cleaning up around flower beds, trees, and fences. Powered by the STIHL AS Battery System, the FSA 30 offers the convenience of cordless operation with no gas, no cords, and minimal maintenance.

Weighing just **4.6 lbs. (without battery)**, the FSA 30 is easy to handle and comfortable to use, making it an excellent choice for routine lawn care. The **9-inch (230 mm) cutting swath** provides precise trimming, while the interchangeable mowing head lets you choose between traditional trimmer line or durable plastic blades depending on the task.

With the recommended **STIHL AS 2 battery**, the FSA 30 delivers up to **10 minutes of runtime with the line mowing head** or up to **19 minutes with the plastic blade mowing head**. A single charge can trim up to **45 m<sup>2</sup> (approximately 485 sq. ft.)** or edge up to **180 meters (590 ft.)**, making it ideal for small to medium-sized yards.
