Product Description

Modern Ag Super Sunshine 6' Cutter

The **Modern Ag Super Sunshine 6' Cutter** is a heavy-duty rotary cutter built for reliable pasture, field, and property maintenance. With a 72" cutting width and a 2.5" cut capacity, this cutter is a great choice for handling grass, weeds, brush, and overgrown areas around farms, hunting land, roadsides, and large properties.

Built with durability in mind, the Super Sunshine features a heavy-duty 3/8" gearbox plate, upgraded 65 HP gearbox rating, pan stump jumper, laminated tailwheel, and standard slip clutch protection. Its one-piece smooth-top body, solid top weld, double steel wall top edge, and heavy-duty tailwheel bracket help provide long-lasting strength for tough mowing conditions.

The Cat. I 3-point hitch with quick attach compatibility makes hookup simple, while the 72" deck provides efficient cutting coverage for compact and utility tractors.
