Product Description

STIHL FSA 70 Battery-Powered Grass Trimmer

The **STIHL FSA 70** is a powerful battery-powered grass trimmer designed for homeowners and property owners who want strong trimming performance without gas, oil, or pull-starting. Powered by the STIHL AK battery system, this trimmer is ideal for maintaining lawns, trimming around sidewalks, driveways, fences, trees, flower beds, and other areas a mower cannot easily reach.

With a wide **406 mm cutting circle**, strong **0.80 kW power output**, and a lightweight **7.1 lb. design without battery**, the FSA 70 offers excellent cordless convenience for routine yard maintenance and larger residential properties. It is a great choice for trimming grass, weeds, and overgrown edges while keeping operation quieter and cleaner than gas-powered equipment.

Key Features:

- Battery-powered grass trimmer
- STIHL AK cordless power system
- Recommended battery: AK 20
- Strong 0.80 kW power output
- Lightweight design at 7.1 lbs. without battery
- Wide 406 mm cutting circle
- Quiet operation with no gas or pull-starting
- Great for grass, weeds, fence lines, sidewalks, and landscape edges
- Ideal for homeowners and property maintenance
