### Product Description

#### STIHL HL 91 Gasoline Extended-Reach Hedge Trimmer

The **STIHL HL 91** is a professional-quality gasoline extended-reach hedge trimmer built for trimming tall hedges, shrubs, and hard-to-reach landscape areas. With its extended-reach design and dependable STIHL engine performance, this trimmer helps make hedge maintenance easier while delivering the cutting power needed for clean, efficient results.

The HL 91 features a 60 cm cutting length and 34 mm tooth spacing, making it a great choice for shaping, trimming, and maintaining hedges around homes, commercial properties, farms, and landscaped areas. Its strong 1.20 HP engine and 4,300 rpm stroke rate provide reliable performance for regular property maintenance and professional landscape work.

#### Key Features:
