Product Description

LS MT458 Utility Tractor w/ LL5106 Loader

The MT4 features a variety of configurations enabling you to find the exact configuration you need. A ROPS and Cab version are available with highly featured operator platforms/cabs. The ergonomic design provides all-day comfort, as the robust frame provides a high-capacity front loader and three-point lift.

- Independent PTO - Easiest PTO to operate that can be turned on or off with a switch.
- Dual Pedal 3 Range HST - Easier and more comfortable than rocker pedals.
- Standard Fully Synchronized Transmission & 16×16 Synchro Shuttle - Change gears without having to stop. 16 forward / 16 reverse gear transmission provides more operating speeds than others in its class for superior control, precision and safe operations for virtually any application.
- Standard 2 Sets Of Remote Valves With Detent - Adds functionality and improves ease of use by allowing attachment of hydraulically controlled implements without the high, additional costs like others in its class to add the remotes as options.
- Extendable Lower Links - Category 2 with hitch lift capacity of 4,079 lbs. allows easier attachment of a wide variety of implements.
- Standard Tilt & Power Steering - Makes turning easier, improves control and reduces fatigue.
- Fender Mounted Joystick For Front End Loader - Easily accessible for maximum comfort and convenience.
- Standard Foldable ROPS - Allows Storage in low clearance buildings or sheds.
- Your Choice Of Tires At No Additional Cost - Choose Ag, Industrial or Turf tires at no additional cost.
*Subject to dealer inventory.
- 3-Point Hitch - Category 3 with hitch lift capacity of 4,079 lbs. allows easier attachment of a wide variety of implements.
- Standard Rear Work Light - Adjustable light to improve visibility where you need it.
- 7 Pin Connector - Provides electrical power for implements when needed.

- Standard Draw Bar - Increases the usefulness of the tractor without the additional optional cost.
 - Large Fuel Tank - Provides long operation times between fill ups.
 - Flat Platform And Rubber Mat - Roomy, spacious and comfortable.
 - LS CRDI Tier 4 Engine - Generates more power with less noise, fuel consumption, vibration and emissions. Standard preheat starting aid helps starting in cold weather. Includes engine speed cruise control.
 - Deluxe Adjustable Seat With Seat Belt - Keeps you in a comfortable and safe position for maximum control.
-
