Product Description

Woods PF4448S2 Pallet Forks - 48"

The Woods PF4448S2 Pallet Forks are a practical and dependable attachment for moving pallets, supplies, hay, lumber, feed, seed, equipment, and other materials around the farm, shop, or property. With 48" forks, this attachment gives you the reach and support needed for everyday material handling jobs.

Built with Woods quality and durability, these pallet forks are a great addition for compact and utility tractors, making it easier to lift, move, and organize heavy or bulky items without using a separate forklift.

Key Features:

- 48" pallet forks
- Great for moving pallets, hay, feed, seed, lumber, and equipment
- Handy for farms, shops, warehouses, and property maintenance
- Helps make loading, unloading, and material handling easier
- Durable Woods construction
- Ideal for compact and utility tractors

A useful attachment for anyone needing a simple, strong, and efficient way to handle materials around the farm or worksite.
