Product Description

STIHL HL 56 Gasoline Extended-Reach Hedge Trimmer

The **STIHL HL 56** is a dependable gasoline extended-reach hedge trimmer designed to make trimming tall hedges, shrubs, and landscape borders easier. With its extended reach design, this trimmer helps users maintain hedges and hard-to-reach areas without needing to constantly reposition a ladder.

Powered by a reliable STIHL gasoline engine, the HL 56 delivers strong cutting performance for routine hedge trimming, property maintenance, and landscape cleanup. Its 50 cm cutting length and 34 mm tooth spacing help provide efficient cutting for shaping, trimming, and maintaining shrubs around homes, farms, and commercial properties.

Key Features:

- Gasoline extended-reach hedge trimmer
- 1.10 HP engine performance
- 50 cm cutting length
- 34 mm tooth spacing
- Extended reach design for taller hedges and hard-to-reach areas
- Great for shrubs, hedges, landscape borders, and property maintenance

- Dependable STIHL quality and performance
- Ideal for homeowners, landscapers, and property owners
