Product Description

STIHL HL 94 K Gasoline Extended-Reach Hedge Trimmer 145°

The **STIHL HL 94 K 145°** is a professional-grade gasoline extended-reach hedge trimmer built for landscapers, property maintenance crews, and homeowners who need dependable reach and cutting performance. Its extended design makes it easier to trim tall hedges, shrubs, and hard-to-reach landscape areas while helping create a clean, finished appearance.

With a strong **1.20 HP engine**, **60 cm cutting length**, and **34 mm tooth spacing**, the HL 94 is designed for efficient shaping, trimming, and hedge maintenance. The 200 cm overall length with blade gives users added reach, making it a great choice for larger hedges, commercial properties, farms, and detailed landscape work.

Key Features:

- Gasoline extended-reach hedge trimmer
- Professional-grade STIHL performance
- 1.20 HP engine power
- 60 cm cutting length
- 34 mm tooth spacing
- 4,000 rpm stroke rate
