Product Description

STIHL BR 200 Gasoline Backpack Blower

The **STIHL BR 200** is a lightweight gasoline backpack blower designed for homeowners and property owners who want the comfort of a backpack blower in an easy-to-handle size. It is a great choice for clearing leaves, grass clippings, dirt, and light debris from yards, sidewalks, driveways, patios, and landscaped areas.

With its compact design and comfortable backpack setup, the BR 200 helps reduce arm fatigue compared to a handheld blower while still delivering dependable STIHL performance. It is ideal for routine residential cleanup and property maintenance.

Key Features:

- Lightweight gasoline backpack blower
- 12 N blowing force
- Max air velocity up to 150.3 MPH with round nozzle
- Air throughput up to 400 CFM with round nozzle
- Comfortable backpack design
- Great for leaves, grass clippings, and light debris
- Ideal for homeowners and routine yard cleanup
- Dependable STIHL quality and performance

Technical Details:

- Displacement: 1.7 cu. in.
- Blowing Force: 12 N with round nozzle
- Weight: 12.5 lbs. without fuel
- Max Air Velocity: 150.3 MPH with round nozzle
- Air Throughput: 400 CFM with round nozzle
