Product Description

STIHL FC 70 Curved Shaft Edger

The **STIHL FC 70 Curved Shaft Edger** is built to help homeowners and property owners create clean, professional-looking edges along sidewalks, driveways, curbs, walkways, and landscape beds. With dependable STIHL engine performance and a comfortable curved shaft design, this edger is easy to maneuver and a great choice for regular lawn maintenance.

The FC 70 provides the power needed to cut through overgrown grass and define lawn edges, helping give your property a neat, finished appearance. It is a practical option for homeowners and light property maintenance use.

Key Features:

- Curved shaft lawn edger
- Great for sidewalks, driveways, curbs, and landscape borders
- Helps create clean, defined lawn edges
- Strong 1.20 HP engine performance
- Comfortable and easy to maneuver
- Ideal for homeowners and property maintenance
- Dependable STIHL quality and performance
