Product Description

STIHL FC 91 Curved Shaft Edger

The **STIHL FC 91 Curved Shaft Edger** is a professional-quality edger built for clean, defined edges along sidewalks, driveways, curbs, walkways, and landscape beds. With strong STIHL engine performance and a comfortable curved shaft design, this edger is a great choice for homeowners, landscapers, and property maintenance crews who want a crisp, finished look.

The FC 91 delivers the power needed to cut through overgrown grass and tough lawn edges while still being easy to handle for regular maintenance. Its durable design makes it a dependable option for both residential and light commercial use.

Key Features:

- Curved shaft lawn edger
- Great for sidewalks, driveways, curbs, and landscape borders
- Helps create clean, professional-looking edges
- Strong 1.30 HP engine performance
- Lightweight design at 13.2 lbs without fuel
- 24 oz. fuel tank capacity
- Ideal for homeowners, landscapers, and property maintenance
