Product Description

Gravely Pro-Turn® 660 60" Zero-Turn Mower – 992501

The **Gravely Pro-Turn® 660 60"** zero-turn mower is built for professional landscapers and property owners who demand commercial-grade durability, power, and performance. Designed for long days and tough mowing conditions, this mower delivers the strength and precision needed to maintain large properties efficiently.

At the heart of the Pro-Turn 660 is a **60-inch fully fabricated commercial cutting deck**, engineered for superior durability and exceptional cut quality. The heavy-duty deck design provides excellent airflow for even grass dispersion and a clean, professional finish with every pass.

Powered by a **high-performance Kawasaki FX series engine**, the Pro-Turn 660 delivers reliable power and smooth operation throughout the toughest mowing conditions. The mower is equipped with **Hydro-Gear ZT-5400 commercial transmissions**, providing outstanding torque, durability, and responsiveness for professional-level performance.

Operator comfort is a key feature of the Pro-Turn series. The mower includes a **premium high-back suspension seat with armrests**, ergonomic controls, and a rugged frame designed to handle demanding daily use. The wide stance and commercial-grade components provide excellent stability and control, even on challenging terrain.

Built for productivity and reliability, the **Gravely Pro-Turn 660** is designed to help professionals and serious property owners complete large mowing jobs quickly while maintaining exceptional cut quality.

Key Features

- 60" fully fabricated commercial cutting deck
- High-performance Kawasaki FX series engine
