Product Description

Gravely Pro-Turn® 360 60" Zero-Turn Mower - 992526

The **Gravely Pro-Turn® 360 60"** zero-turn mower is built for professional landscapers and property owners who demand dependable commercial performance and durability. Designed to handle demanding mowing conditions, the Pro-Turn 360 delivers exceptional cut quality, powerful performance, and the rugged construction Gravely is known for.

Featuring a **60-inch fully fabricated commercial cutting deck**, this mower provides strength, reliability, and excellent cutting performance. The heavy-duty deck design ensures long-term durability while delivering consistent airflow for a clean, professional-quality cut.

The Pro-Turn 360 is powered by a **high-performance Kawasaki FX series engine**, providing reliable power and smooth operation throughout long workdays. Paired with **Hydro-Gear ZT-3400 commercial transmissions**, this mower delivers responsive control, excellent torque, and dependable performance for demanding commercial use.

Operator comfort and control are built into the Pro-Turn series. The mower includes a **premium high-back suspension seat with padded armrests**, ergonomic controls, and a heavy-duty tubular steel frame designed to provide stability and reduce operator fatigue during extended mowing sessions. The **zero-turn maneuverability** allows operators to easily navigate around trees, landscaping, and obstacles, helping complete mowing jobs faster and more efficiently.

Built to handle tough mowing conditions while maintaining excellent cut quality, the **Gravely Pro-Turn 360 60"** is a dependable commercial mower designed for productivity and long-term reliability.
